Holiday 2020, addendum catalog

We are so blessed at St. Michael’s Woodshop! Members of the Finger Lakes Woodturners Association have been faithfully mentoring our students twice a week for the past several years. Recently, they donated the beautiful, wood-turned products shown in the pages of this “addendum” catalog for us to sell, to help sustain our operating budget in these most difficult times. These items are gorgeous! Thank you FLWT! Call, email or write us with your orders (see page 13). May God bless you all!
